

XANGO Meal Pack Donation, 40 Meals

The XANGO Meal Pack is a meal replacement humanitarian product that provides the first step out of starvation for those in need. A dry powder formulation for the severely malnourished, it helps strengthen those who cannot properly digest solid food due to long periods of poverty, famine and other disasters. XANGO has partnered with AmeriCares to ensure the delivery of Meal Packs where they are most needed.

This Meal Pack Donation will provide approximately 40 meals and will literally save lives.
